Consent for Purposes of Treatment, Payment, and Healthcare Operations

I consent to medical examination and treatment for myself or for the patient for whom I am the parent or legally authorized representative. (If a patient is a minor, the parent having legal custody, a legal guardian, or a person authorized by them in writing must sign. If a patient is incompetent, a legal guardian or conservator must sign.)

I consent to the use or disclosure of my protected health information by Orlando Orthopaedic Center (OOC) for the purpose of diagnosing and/or providing treatment to me, obtaining payment for my health care bills, or to conduct health care operations for OOC. I understand that diagnosis and/or treatment of me by OOC may be conditional upon my consent, as evidenced by my signature on this document.

My "protected health information" means health information, including my demographic information, collected from me and created or received by my physician, another health care provider, a health plan, and my employer or a health care clearinghouse. This protected health information relates to my past, present, and/or future physical or mental health or condition and identifies me, or there is a reasonable basis to believe the information may identify me.

I understand I have the right to request a restriction as to how my protected health information is used or disclosed to carry out treatment, payment, or healthcare operations of the practice. OOC is not required to agree to the restrictions that I may request; however, if OOC agrees to a restriction that I request then the restriction is binding.

I have the right to revoke this consent, in writing, at any time, except to the extent that OOC has taken action in reliance on this consent.

I understand I have the right to review OOC's Notice of Privacy Practices, which has been made available to me, prior to signing this document. The Notice of Privacy Practices describes the types of uses and disclosures of my protected health information that will occur in my treatment, payment of my bills, and in the performance of health care operations of the OOC. The Notice of Privacy Practices for OOC is also posted at each office location and on the OOC website at www.orlandoortho.com. This Notice of Privacy Practices also describes my rights and OOC's duties with respect to my protected health information.

OOC reserves the right to change the privacy practices that are described in the Notice of Privacy Practices. I may obtain a revised notice of privacy practices by accessing the OOC website, calling the office and requesting a revised copy be sent in the mail, or asking for one at the time of my next appointment.
