Verification of your benefits with your insurance company is not a guarantee of benefits or payment. You are responsible for paying any out-of-pocket expenses as part of your benefit coverage. Be advised having more than one insurance policy is not a guarantee that all of your out-of-pocket expenses will be covered.
2. At your request, a Good Faith Estimate will be provided prior to your visit. After your insurance company processes your claim, you may have additional out-of-pocket expenses for which you will be billed or you may be due a refund.
3. Assignment of Benefits: In consideration of the treatment being rendered, you hereby irrevocably assign any and all insurance benefits you have to Orlando Orthopaedic Center for services provided to you. You understand you remain personally financially responsible for any services not covered by your insurance benefits or plan.

For Self-Pay patients with no active insurance coverage, Orlando Orthopaedic Center offers a flat rate of $270.00 - $864.00 depending on the level of complexity for the initial office visit and $162.00 for each follow-up office visit. Additional charges apply for services not included in the office visit (examples include DME, MRI, EMG, therapy, surgery). Payment is required prior to services being rendered.
5. If your balance is not paid or a payment arrangement has not been made after two (2) attempts to collect, a **$25 service charge** may be assessed as a late fee on your account. Any unpaid balance may be turned over to an outside collection agency.
6. There will be a $35 fee assessed for insufficient funds when paying by check.
7. A No Show fee of $50 may be charged for patients who do not cancel or reschedule their appointments prior to 24 hours before their scheduled appointment.
